### Level Up Village Earns the First Seal of Alignment for 2016 ISTE Standards

Thanks to upholding the ISTE Standards in an exceptional manner, Level Up Village is the first organization to receive the Seal of Alignment for 2016 ISTE Standards. With a host of challenging, yet, engaging courses for their students, Level Up Village is setting a prime example for other educational organizations.

Level Up Village is also helping to bridge the diversity gap with its global programs in more than 20 other countries. These countries include Nicaragua, South Africa, India, Kenya and many more.
